The Dazzle Earing : 1100DKK

Embracing it all and having fun
with the unexpected.

The Oddity collection reminds us that true liberation comes from not denying the world around us but from accepting it as a whole.

The Emblaze Clip : 500DKK

The Year of Oddity with Maria Black will showcase four contrasts that turn a blind eye to the judgemental gaze of society.

Oddity wants you to live life with all the fun, colors and expression you can handle. If you get excited about this collaboration, Maria Black is for you.
